

Blessings in a
Backpack[®]
Feeding The Future Of America

November XX, 2016

To Whom It May Concern:

<Ambassador Name> who is in the <grade/year> at school/university is a member of the [National Slovak Society Ambassadors Program](#). The NSS Ambassadors Program is for anyone aged 13 and above who is seeking the skills to guide, direct, influence, and motivate others.

One of our initiatives this fall is working with a non-profit organization called [Blessings in a Backpack](#). Blessings in a Backpack mobilizes communities, individuals, and resources to provide food on the weekends for elementary school children across America who might otherwise go hungry. Currently, the organization, feeds over 83,000 children 900 schools in 46 U.S. states and the District of Columbia and is a hybrid of private sector funding and public partnership carried out in schools.

The NSS Ambassadors are assisting in this movement by collecting new backpacks (in which the meals are placed in before the students' head home for the weekend) and raising money for the program via the following donation site: <https://give.everydayhero.com/us/nss-ambassadors>. We are asking for permission for <Ambassador Name> to set up a donation box in the front lobby of your school/university/community center/church/store to collect backpacks.

<Ambassadors Name> will be responsible for the box and collecting the donations to send to Blessing in a Backpack. As this is an ongoing national effort we would welcome the opportunity to host a box in your school for as long as you would allow.

If you have any questions, please feel free to contact us.

Thank you for your time,
