Youth Term Life Insurance

Issue ages 0 - 22

The Youth Term plan is life insurance protection designed to provide level coverage at a low cost for our younger members between the ages of 0 and 30. Premiums paid only until age 25, but coverage remains until age 30. The insurance is eligible for a wide range of NSS Life fraternal benefits and future insurability is guaranteed upon conversion to a permanent whole life plan, at any time, up to age 30.

Application

A parent, grandparent or person with an insurable interest in the life of the child or young adult may apply. When applying, a parent or legal guardian must sign the application for the Proposed Insured.

Policy Conversion

Convertible to any permanent whole life plan at or before age 30 for a face amount up to \$50,000 without evidence of insurability. A conversion credit may apply. Maximum credit is \$100.
