AGREEMENT FOR THE EXCHANGE OF POLICIES UNDER SECTION 1035 OF THE INTERNAL REVENUE CODE

I, _____, the undersigned, own the following: Life Insurance Policy Annuity Contract, Described as policy/contract #: _____ (Old Policy), Issued by: _____ On the life of: _____

Company Address: _____

which I hereby agree to exchange pursuant to Section 1035 of the Internal Revenue Code for a Life Insurance Policy Annuity Contract on the life of the same insured named in the Old Policy if the National Slovak Society of the United States of America (NSS Life) approves my

application/contract number, _____ (New Policy), Dated _____ Social Security #: _____

In consideration of NSS furnishing this form and assisting me with the exchange of policies under Section 1035 of the Internal Revenue Code, I hereby further represent and agree as follows:

1. Ownership of Old Policy.

I am the sole owner of the Old Policy. No other person (including fiduciaries whether or not court appointed), firm, corporation, or governmental unit has any legal or equitable claim or interest in or against the Old Policy, except: _____ (collateral assignees, irrevocable beneficiaries, etc. must sign below).

2. Surrender of Old Policy.

I understand and agree: Upon approval of my application for the New Policy at standard rates, NSS will request the cash surrender value of my Old Policy from the company issuing it.

I know that it may take up to six (6) months for NSS to receive the cash surrender value of my Old Policy. During this time, I assume full responsibility for paying any premium payments which are now due or may become due while the surrender request is pending. NSS shall not make any premium payments or elect the automatic premium loan provision of my Old Policy. I hold NSS harmless from any claim under the Old Policy if it lapses because the premiums have not been paid.

NSS will apply the cash surrender value it receives from the Old Policy, as an Additional Premium for the New Policy issued by NSS. If the cash surrender value of the Old Policy exceeds the amount which can be accepted as an Additional Premium under the New Policy, NSS will pay me the excess amount.

I know that the payment of the cash surrender value ends all legal obligations of the Company issuing my Old Policy. Thus, if the insured under the Old Policy dies after the cash surrender value has been sent to NSS, I know that NO DEATH BENEFITS will be paid under the Old Policy.

When the cash surrender value of my Old Policy has been sent to NSS, if I choose not to accept the New Policy, NSS's only obligation shall be to pay me the full cash surrender value NSS received for my Old Policy. I know that the Company issuing the Old Policy may not permit me to reinstate it after it has been surrendered.

5. Absolute Assignment of Old Policy.

For the purposes and with the agreements set forth above, I hereby assign, irrevocably transfer, and deliver the Old Policy described above to National Slovak Society, Canonsburg, PA, together with all right, title and interest therein and thereto. NOTICE REGARDING REPLACEMENT OF LIFE INSURANCE AND ANNUITIES – INTERNAL

You have indicated that you intend to replace existing life insurance or annuity coverage in connection with the purchase of our life insurance or annuity policy. As a result, we are required to send you this notice. Please read it carefully.

Whether it is to your advantage to replace your existing insurance or annuity coverage, can only be decided by you. It is in your best interest; however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and your existing insurance or annuity coverage.

You may want to contact your existing life insurance, or annuity company, or its agent for additional information, or discuss your purchase with other advisors. Your existing company will provide this information to you. The information you receive should be of value to you in reaching a final decision.

If either the proposed coverage or the existing coverage you intend to replace is a dividend paying plan; you should be aware that dividends may materially reduce the cost of insurance and are an important factor to consider. Dividends, however, are not guaranteed.

You should recognize that a policy which has been in existence for a period of time may have certain advantages to you over a new policy. If the policy coverages are basically similar, the premiums for a new policy may be higher because rates increase as your age increases. Under your existing policy, the period of time during which the issuing company could deny coverage for death caused by suicide, may have expired or may expire earlier than it will under the proposed policy. Your existing policy may have options which are not available under the policy being proposed to you, or may not come into effect under the proposed policy until a later time during your life. Also, your proposed policy's cash values and dividends, if any, may grow slower initially because the company will incur the cost of issuing your new policy. On the other hand, the proposed policy may offer advantages which are more important to you.

If you are considering borrowing against your existing policy to pay the premiums on the proposed policy, you should understand that in the event of your death, the amount of any unpaid loan, including interest, will be deducted from the benefits of your existing policy thereby reducing your total insurance coverage.

After we have issued your policy, you will have 45 days from the date the new policy is received by you to notify us you are cancelling the policy issued on your application and you will receive back all payments you made to us.

You are urged not to take action to terminate, or alter your existing life insurance, or annuity coverage until you have been issued the new policy, examined it and found it acceptable to you.

NOTICE REGARDING REPLACEMENT OF LIFE INSURANCE AND ANNUITIES – EXTERNAL

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements. Please read it carefully.

Whether it is to your advantage to replace your existing insurance or annuity coverage, can only be decided by you. It is in your best interest; however, to have adequate information before a decision to replace your present coverage becomes final so that you may understand the essential features of the proposed policy and your existing insurance or annuity coverage.

You should recognize that a policy which has been in existence for a period of time may have certain advantages to you over a new policy. After we have issued your policy, you will have 30 days from the date the new policy is received by you to notify us you are cancelling the policy issued on your application and you will receive back all payments you made to us.

You are urged not to take action to terminate, or alter your existing life insurance, or annuity coverage until you have been issued the new policy, examined it and found it acceptable to you.

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

PREMIUMS:

- Are they affordable?
- Could they change?
- You're older—are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

POLICY VALUES:

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid, you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

- INSURABILITY:
- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
 - You may need a medical exam for a new policy.
 - Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
 - Suicide limitations may begin anew on the new coverage.

IF YOU ARE KEEPING THE OLD POLICY AS WELL AS THE NEW POLICY:

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

IF YOU ARE SURRENDERING AN ANNUITY OR INTEREST SENSITIVE LIFE PRODUCT:

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

OTHER ISSUES TO CONSIDER FOR ALL TRANSACTIONS:

- What are the tax consequences of buying the new policy?
- Is this a tax free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

- 1) Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? No Yes
- 2) Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? No Yes
- 3) If you answered Yes to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing:

4) The existing policy or contract is being replaced because: _____

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.
